DOSAGE

7 g/l

- 👁️ When poured, the champagne generates a light and ephemeral foam, which yields to a thread of fine and lively bubbles.
- 👂 The first nose is clean and fruity, reminiscent of strawberry, raspberry, redcurrant, and fresh grapes, beautifully caressed by accents of fresh mint, rose and poppy.
- 👄 The first encounter in the mouth is rich and fresh, with smooth and creamy effervescence.

We suggest serving your champagne at 8°C in a slender, curved glass:

- Ashed goat cheese on toast with sun-dried tomato confit
- Veal carpaccio, succulent tomatoes with basil
- Brillat-Savarin, Ossau-Iraty
- Tiramisu with strawberries and pink biscuits from Reims
